Rodeo Days with Netic

info.netic.dk/rancher-rodeo-days-med-netic

Learn how to deploy Containers and Kubernetes in production environments.

On the 3rd and 4th of March 2020, **Rancher Labs** and Netic invite you to attend Rancher Rodeo Days in Aarhus and Copenhagen.

The workshop is designed to equip DevOps and IT teams with the practical skills needed to work with Kubernetes and Containers.

Rancher technical expert, **Sheldon Lo-A-Njoe** will guide you through the workshop
